HONORABLE AVERN COHN

Defendants.

AMENDED ORDER REQUIRING SUPPLEMENTAL PAPERS

This is a case arising out of the provision of medical services to American Indians in Metropolitan Detroit. Before the Court is defendants' Motion to Dismiss. The Court held a hearing on the motion on October 24, 2005. At the hearing, the Court directed the parties to submit supplemental papers. On October 25, 2006, the Court entered an Order Requiring Supplemental Papers. This Amended Order further clarifies the nature of the supplemental papers requested particularly as to defendants, as follows:

If the Appropriations Act makes a lump sum appropriation to "Urban Health," defendants shall provide information regarding the criteria for allocating the lump-

sum to the several programs and services provided under the appropriation to Urban Health and any criteria for reprogramming, etc.

The Court is looking to understand how funds for Urban Health are allocated by Congress and by defendants.

SO ORDERED.
